 - Bruising Blows
 - Pinched Fingers

KONG® CUT RESISTANT

The newest member of the KONG® family, the cut resistant version is CE EN388 level 5 and ANSI/ISEA level 4. The key to this extremely high level of cut resistance is our exclusive CT5™ cut resistant material that covers the entire palm.

DEVELOPED collaboratively with the Oil and Gas industry Safety Committee

VALIDATED by independent lab testing at the University of Wisconsin-Milwaukee Ergonomics Department

PROVEN RESULTS through thousands of successful hours in the field
